

UNITED STATES DISTRICT COURT  
THE DISTRICT OF COLUMBIA

Movant David Andrew Christenson

Civil Action No. 1:19-cv-2367-ABJ

Peter Strzok

Judge Amy Berman Jackson

Plaintiff,

v.

William Barr, Attorney General, et. al.,  
Defendants.

Motion for Reconsideration

Ask Strzok or Barr if they object. Ask them if they object based on the oath that they took.

- *An individual, except the President, elected or appointed to an office of honor or profit in the civil service or uniformed services, shall take the following oath: "I, AB, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God." This section does not affect other oaths required by law.*

The enemies of the United States of America are Strzok and Barr. If Strzok truly believed in the oath that he took he would withdraw his complaint.

Judge Jackson could issue a Motion for Summary Judgement for either party and be correct. What criminal, Barr or Strzok, violated the Constitution the least.

Judge Jackson, do you object as an American, daughter, wife, parent, etc.? Don't you want to know the truth? Does your family object?

Our Republic (Not a Democracy) is 243 years old. Our founding fathers did everything they could to protect us.

After 243 years of being a country are, we closer or farther away from being a "more perfect union"?

- Preamble of the Constitution: *We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.*

Who is representing and protecting the American People? Who is protecting the Constitution?

The Department of Justice and the Federal Bureau of Investigation are protecting the government and not the people.

The Constitution is the “cognizable basis upon which the movant should be permitted to intervene in this action”. First Amendment: *Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.*

Someone has to speak for the American People. Someone has to find the truth and tell it to them. Our press is for profit, power, fame, sex, etc. Our press is not for “free speech”.

UNITED STATES COURT OF APPEALS  
FOR THE DISTRICT OF COLUMBIA CIRCUIT

David Andrew Christenson – Appellant (Movant)

v.

Appellee – NA

(Electronic Privacy Information Center v. United States Department of Justice)

Case: 19-5121

Civ. Action No. 19-810 - RBW

Notice 62 – Leonardo Del Vecchio and Claudio Del Vecchio denied my request for a leave and communicated to me, in no uncertain terms, that the needs of Brooks Brothers/Luxottica/Essilor were more important than my trying to saving Mankind.

I found this very paradoxical because their client/customer base is shrinking because of the Genocide of Mankind. They advertise themselves to be a diversity company that wants the associates to be civically active/engaged. I am just a part time sales associate/key holder who is trying to make a difference. I notified them, with documentation, of the herculean effort that I am making to save Mankind and they laughed at me. AT LEAST I AM TRYING TO MAKE A DIFFERENCE.

In 2018 the companies, owners and management discriminated against me and then they retaliated. The retaliation and retribution continue to this day. I filed a complaint with the U.S. Equal Employment Opportunity Commission (EEOC). The retaliation/retribution includes my losing my health insurance at the end of this year. (see below)

Here is the most amazing part of the story. The store that I work in did not hire sales associates for the peak selling season. Not only would they not give me a leave but they limited my hours to 29 per week when they needed me to work 40 plus. They were vindictive and angry and would not let me work 40 hours per week. They sacrificed the profits of the companies to harm me.

I work for two of the richest people in the world and I make less than \$22,000.00. The Federal Courts have declared me to indigent.

Luxottica/Essilor has a vertical and horizontal monopoly throughout the world as an integrated company that designs, manufactures, distributes and retails its eyewear brands. They have an unprecedented internet and brick and mortar presence. They also employ thousands of optometrists that conduct eye exams.

The following is a list of those that discriminated and retaliated against me:

Leonardo Del Vecchio owner Luxottica/Essilor and Brooks Brothers

Claudio Del Vecchio owner Brooks Brothers

Matteo Del Vecchio Chief Administrative Officer

Gianluca Tanzi Chief Operating Officer Brooks Brothers

Rachel Barnett General Counsel

Adam Lelonek General Counsel

Nadia Droumbanis Special Counsel

Mary Pytko EVP, Global Human Resources/People Services

Lynne McDaniel Senior Human Resources Business Partner
